## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of StrongMinds Inc. as of December 31, 2015, and the changes in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

#### **NOTE 1 - ORGANIZATION AND NATURE OF ACTIVITIES**

StrongMinds Inc. ("the Organization"), which began operations in 2013, is a non-profit Organization organized under the laws of the State of New Jersey and located in Maplewood, New Jersey. The Organization's mission is to restore the mental health of vulnerable African women by using a simple, cost effective, and scalable community-based group talk therapy to treat depression in the country of Uganda. In 2015, the Organization worked in conjunction with FXB Uganda, a non-government organization in Uganda, under a partnership agreement in which funding was provided to work on programs and activities related to the Organization's mission. In 2016 the Organization entered into a master collaboration agreement with StrongMinds Uganda (SMU), after SMU achieved its separate non-government registration status in Uganda.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Presentation**

The Organization prepares its financial statements in accordance with accounting principles generally accepted in the United States of America. Accordingly, revenues are recorded when earned and expenses are recorded when incurred. The Organization's net assets, revenues, and expense are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified and reported as follows:

#### **Unrestricted Net Assets**

Net assets that are not subject to donor-imposed stipulations.

### **Temporarily Restricted Net Assets**

Net assets subject to donor imposed stipulations that may or will be met either by actions of the Organization or the passage of time.

#### **Permanently Restricted Net Assets**

Net assets subject to donor imposed stipulations that are to be maintained permanently by the Organization. As of December 31, 2015, the Organization did not have any permanently restricted net assets.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

FINANCIAL STATEMENTS DECEMBER 31, 2015

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Property and Equipment**

Property and equipment are recorded at cost or, if donated, the approximate fair value at the date of donation. Depreciation is provided on the straight line method over the estimated useful lives of the assets, which range from five (5) to seven (7) years.

#### Income Tax Status

The Organization is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code, and therefore, no provision has been made for federal or state income taxes in the accompanying financial statements. The Organization files informational returns with the U.S. federal government and State of New Jersey.

#### **Restricted and Unrestricted Revenue**

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire when the stipulated time restriction ends or purpose restriction is accomplished in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

#### **Contributions and Grants**

Contributions and grants consist of unconditional support and are recorded as revenue in the year received. Conditional contributions and grants are not included as support until the conditions are substantially met.

#### **Contributed Services**

Contributed services are reported at fair value in the financial statements for voluntary donations of services when those services (1) create or enhance non-financial assets, or (2) require specialized skills provided by individual possessing those skills and are services which would be typically purchased if not provided by donation. The estimated fair values of these items are reported in the statement of activities as revenue and expenses in the year in which they are received.

#### Advertising Costs

Advertising costs are expensed when incurred.

#### **Functional Expenses**

The Organization allocates its operating expenses on a functional basis. Expenses that can be identified with a specific function are charged directly to that function. Other expenses that are common to more than one function are allocated among the services benefited based on estimates made by management.
